**Last meeting:** Lee Smalley spoke on the Micro Four Thirds format. Dennis Clark spoke on the GoPro Hero. This was followed by an opportunity to see and handle examples of both formats.

This month's newsletter is an abbreviated version. I am currently on travel in India and Nepal and internet connections are limited. I am sending this from Kathmandu, Nepal. The photography opportunities have been interesting and challenging. I will try to attach my obligatory shot of the Taj Mahal at the golden hour here:
