Upcoming meetings:

August - We start off the new club year with CCOR's **Meet and Greet** show. Email Jim Parks (Competition VP) three recent photos representing your area of photographic interest. Also submit a photo of yourself and a brief summary.

We are interested in hearing from new members and for updates from established members. This is an open format so bring your questions and expertise and be ready to get involved in our Salon

September – The bimonthly intra-club competition. **Urban Landscapes** - The theme of the photograph is urban landscapes. Scenes of and/or from the city, in which the location is clearly identified with a city, its downtown, new and old buildings, its decay or rebirth, etc. The photo may be taken any time of day and may depict or suggest the city's perceived personality and character.
