

Camera Club of Oak Ridge

Newsletter for February 2015

Next meeting: Tuesday, February 10, 2015 Roane State Community College (Oak Ridge campus), **room 104 of the New Goff Building**. **This is a change from our usual meeting room**. Come to chat at 7:00 pm, meeting convenes at 7:30.

Program: DSLR Videography - Bryan Allen

Bryan Allen is an award winning photographer and videographer based in Knoxville, TN. He has over thirty years of experience behind the lens. He maintains a commercial photography business as well as a boutique wedding and portraiture business that has been voted Knoxville's Best seven times. Bryan is also an engineer with over 20 years of experience in technology and media. Visit his website for more information at

BryanAllenPhoto.com

"In this talk I will share my thoughts on the emergence of dSLR video. I will also walk you through the challenges of shooting on this platform and how you can overcome those challenges. I'll show you some of my work and more importantly some behind-the-scenes clips of that work being made to give you a feel for the requisite gear and grip to do the job right. So this is not Film School 101. Everything I discuss will be from the perspective of a photographer transitioning to shooting video... not the other way around."

Last meeting: January Intra-club competition

Theme - Inventions and Dimensions

Club member Bob Stephenson was tapped on short notice to judge the competition. The winners were as follows:

First - Fresnel lens , Michael Miller

Second - Keeping Time, Don Muldrew

Third - Invention, Michael Miller

HM - Rota Machina, John Music

HM - The Bean, Ron Sentell

Upcoming meetings: The next CCOR competition will be during the March meeting and is open to all students from K-12 to college students working towards a certificate or degree. The prize will be a Panasonic [G1 mirrorless camera](#) with two interchangeable lenses.

Digital submissions should be emailed to the Bi-Monthly Club [Competition Chair](#). Students should email 3 representative .jpg photographs (each less than 3mb in size) plus a short bio stating your age, school, photographic interests and how you would benefit by winning the prize camera & lenses. To win you must be present at the March meeting at the Oak Ridge RSCC campus. Photos and [form](#) must be submitted by March 1.

Club Projects: American Museum of Science and Energy gallery.

AMSE is interested in displaying some of our salon prints relating to science and nature. It would involve a one year loan of member prints. Rob Welton is working on the details of this excellent opportunity for club exposure.
