

Camera Club of Oak Ridge
Newsletter for August 2015

Next meeting: Tuesday, August 11, 2015 Roane State Community College (Oak Ridge campus), Room A-111. Come at 7:00 pm to chat, program convenes at 7:30.

Program: **The annual "Meet and Greet" event.** It has become a tradition for CCOR to devote the August meeting to getting to know each other better. New members are invited to submit a short statement, a portrait and 3 to 5 images. The goal is to put faces with names and to share photographic interests and experience. Visit the Meet and Greet page on our website to get an idea what has been shared in the past. Established members should provide a brief update and images exemplifying their activities during the past year.

Email your images and statement to Jim Parks at competition@oakridgecameraclub.org by 8 pm Monday August 10 to be included. As always, images should be jpegs resized to 1400 pixels and the filename should include your name. It would be most convenient for Jim if your statement were also a jpeg and you can create one from a Word file by snipping from a screenshot. If you are not sure how to do that, Jim can do it for you from a Word or PDF file.

Last meeting: Photographic Drones

Chris Stinson gave a comprehensive session on airborne radio controlled drone photography. His demonstration of a 6 rotor copter that he built from scratch was impressive. Don Miller has posted several images of the event on our FaceBook page.

Salon news: Don Miller continues to work diligently in assembling a team of volunteers to execute the club's signature activity - the 2015 Salon. Most of the event chairmen are in place but we still need workers. Let Don know when you can help. His email address is
