

Camera Club of Oak Ridge
Newsletter for March 2016

Next meeting: Tuesday, March 8, 2016 Roane State Community College (Oak Ridge campus), Room A-111. Come at 7:00 pm to chat, program convenes at 7:30.
Program: Casey Peddicord, Knoxville wedding cinematographer, will present a seminar entitled, **Mastering Wedding Film in 2016**. In today's world the artistic, technical and business boundaries between still imagery and video production are becoming less and less defined as camera technology and software improves. Filmmakers from photography backgrounds are making greater artistic impacts on the field and clients now often expect video as well as still images. Casey will discuss and demonstrate what is now the state of the art here in East Tennessee. For more information visit their website at www.caseyandkristin.com

Last meeting: The February meeting was an intra-club competition with the theme of "Pet Parade". The inimitable Larry Perry served as judge. The Webelos of Cub Scout Pack 328 visited the club and Larry did a nice job of involving the young men in the judging while imparting some basic lessons on composition. Awards went to the following.

First - Rick Robinson, Feline Design
Second - Carolyn Slay, Her Favorite Thing
Third - Yvonne Thomas, Winter Beauty
HM - David Mann, Russell

The images are up on the club FaceBook page and will be posted to the website soon.

The officers of the club met with other interested members prior to the February meeting for a long-range planning session. We discussed the recent salon and how it could be improved in the future. There was a consensus that the club would benefit from more frequent rotation of the officers. A **nominating committee** was appointed consisting of Pat Postma, Mike Slay, Mike Miller and Rebecca Fairbanks. They will work to develop a slate of officers for presentation for a vote of the club at the May meeting as specified in the Club Constitution. If you would like to take a more active role in leadership of the club let one of them know. New faces are welcome.

Club activities: Again this year, the club will participate in the Linden School Family Art Night on March 4 from 6-8 pm. More information and images from 2015 are on the website.
