

Camera Club of Oak Ridge Newsletter for October 2018

Next Meeting: Tuesday, October 9, 2018. Roane State Community College (Oak Ridge campus), Room A-111. Come at 7:00 pm to chat, program convenes at 7:30.

Next Board Meeting: will be Thursday Dec 6th, 6pm at Panera Bread in Oak Ridge.

September Meeting: Steve Zigler's highly entertaining Eclipse Adventure. Impressive amounts of planning, gear and practice, but also all about the sheer atavistic thrill, that was the eclipse and totality for everybody. To be part of an event watched by 154 million people, treasuring your own crummy images and already dreaming about the next one. Either fly to South America next year or wait for April 8, 2024. In the audience, Prof. Mark Littmann, author of "Totality. The Great American Eclipses".

October Meeting is a competition. **Weather:** Show the storm coming in, a glorious rainbow, the hard rain, the transformation of snow, a perfect summer day. Make us see it and feel it!

Salon News:

Congratulations to Mike Slay on his Best of Show in the Digital Division!!! The gallery with the other digital winners/entries should be available for your viewing soon.

This coming Saturday, Sept 29 will be print Judging. It will start at 9am. This will take place in the same room that we have our meetings. Come listen to the judges. It is usually very informative.

The Salon Gallery is Friday October 5th 7-9pm. Come and celebrate your 70th Salon!! It will take place in the Goff building at Roane State-Oak Ridge campus. (It is the building behind the building we meet in.)

Attached is this year's Salon invitation. Members can use the template and add their own Salon image or they can use the Best of Show version with Mike's image. Put it on your social media accounts, send it to your family and friends, everybody is deputized to spread the word about our 70th Salon.

AMSE News

ORNL and TVA beat the Camera Club to the gallery space for the opening of the new AMSE in October, but they are hoping to rotate exhibits once the dust from the move settles.

We will continue to have a dedicated AMSE gallery on the club Smugmug site for members to upload images they think will be of interest for a future show. The gallery is now visible to everybody and will hopefully energize you to think about images that could fit into the STEM/STEAM categories, or may push you to add something nobody so far has thought of.

The Grand Opening will be on October 18, 10:30am-1pm - check out the amazing ORNL show, "The Art of Science".

AMSE will not be picking up any prints after the Salon this year, but encourages you to upload images that you have already printed for the Salon for their consideration. Last year's prints will be returned on Salon pick-up day, Saturday, November 3rd, 10 am to 12 pm at RSCC, Goff Building, 2nd Floor.
